[Verse 1]

G

I tried my best to be just like

D

C

The other boys in school

G

I tried my best to get it right

D

C

And died at every duel

G

This mountainside is suicide

D

C

This dream will never work

G

Still the sign upon my headstone, write

D

C

"A champion of the world"

G D C (x2)

[Verse 2]

G

Yeah I tried my best to stay alight

D

C

Fly like a firework

G

I tried my best at taking flight

D

C

But my rocketship reversed

G

Oh, referee, don't stop the fight

D

C

Everyone can see I'm hurt

G

But I'll stand before conquistadors

D

C

Til I'm champion of the world

[Chorus]

C

C

(When I sail) And when I sail

G

I'm sailing west

C

(Though I might fail) Knowing I might fail

G

D

But, still I am hoping for the best

C

(In my dreams) And in my dreams

Em

Onto my chest

C

She'll pin the colours and say

C

"I wandered the whole wide world but

D

G

Baby, you're the best"

G D C (x2)

[Outro]

G

So I'm flying on my bicycle

D

C

Heading upwards from the Earth

G

I am jumping with no parachute

D

C

Out into the universe

G

I have E.T. on my bicycle

D

C

Because giving up won't work

G

I am riding on my rocketship

D

C

And I'm champion of the world
